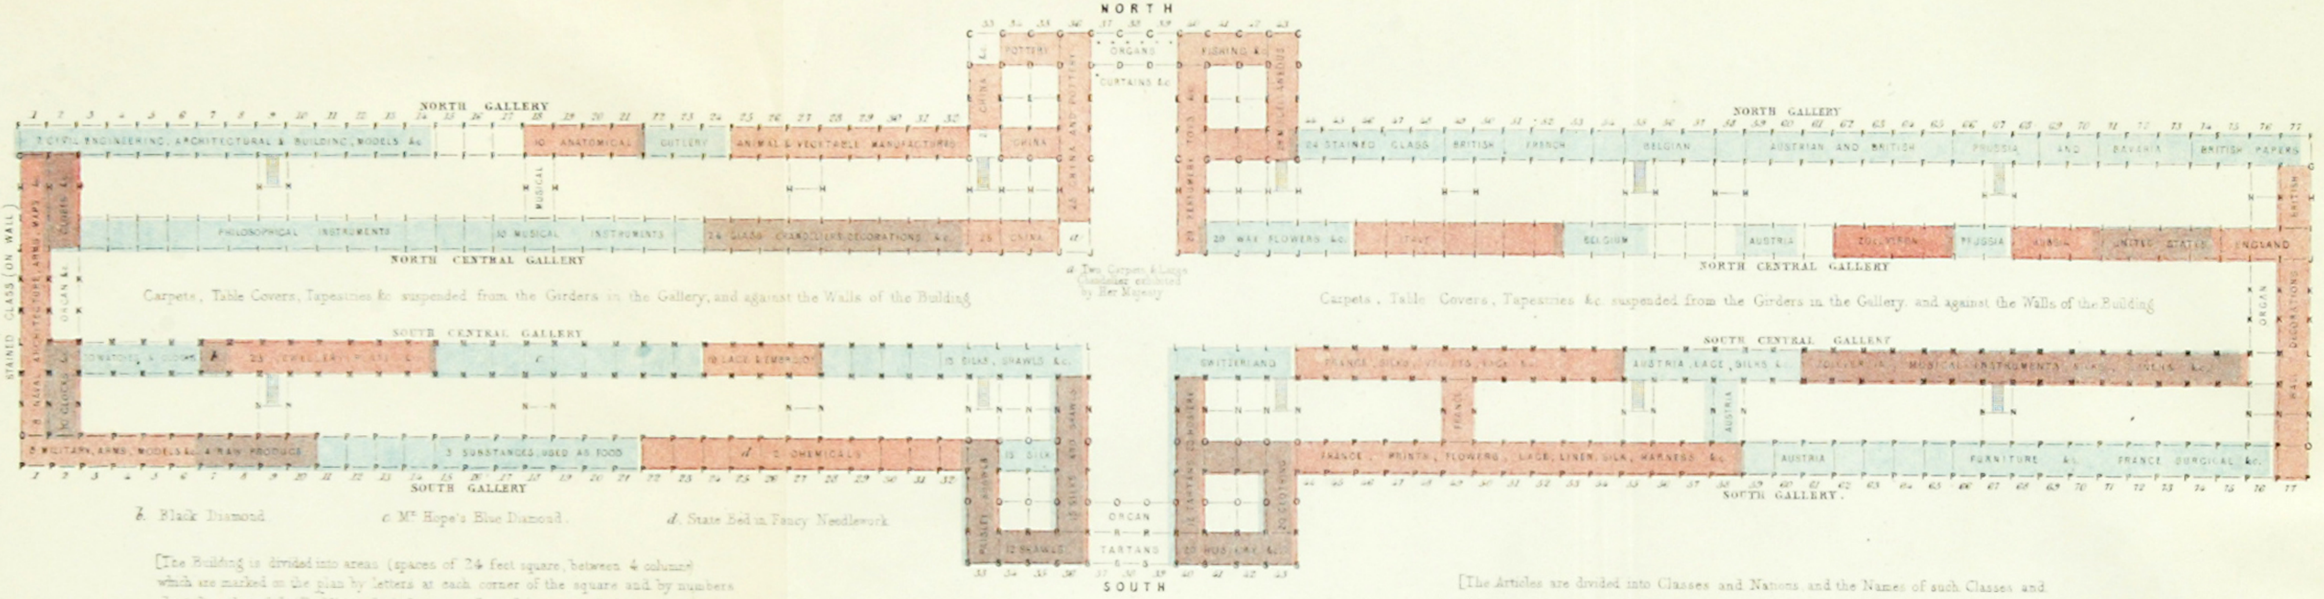
PLAN OF THE BUILDING.

GALLERIES



b. Black Diamond. c. Mr Hope's Blue Diamond. d. State Bed in Fancy Needlework.

[The Building is divided into areas (spaces of 24 feet square, between 4 columns) which are marked on the plan by letters at each corner of the square and by numbers along the sides of the Building; these letters and numbers are marked on every column in the Building in white characters at about 7 feet from the ground.]

[The Articles are divided into Classes and Nations, and the Names of such Classes and Nations are given on the Plan, and marked upon the iron girders of the Building.]
