調査先	Mitsubishi Fuso Truck and Bus Corporation (Hirama Stn.)
担当教員身分・氏名	Assistant Professor/ Dumayas, Arianne
授業科目/学部企画名	企業訪問
参加学生数(学年)	6
調査趣旨・目的	<p>To know about the international company like Mitsubishi Fuso.</p> <p>To hear and ask about the experiences of employee working in a multicultural environment.</p> <p>To learn more details about internship at Mitsubishi Fuso.</p>
調査結果	<p>The visit was composed of three parts: factory tour, company presentation and question-and-answer. Through the factory tour, the students were able to see the different and complex processes of creating a truck. After the factory tour, the students listened to the company presentation. The students were very active and asked a lot of questions, so the visit lasted longer than the scheduled 1.5 hour. The students are very interested about the diversity of the staff and flexible working environment. Overall, the students had a good impression about the visit to Mitsubishi Fuso. The visit also encouraged some students to apply for the internship opportunity.</p>
