中央大学基幹理工／社会理工／先進理工学部および大学院理工学研究科における
交換留学出願時確認事項（選科生）

※理工学研究科の「研究生」の場合、科目履修はできないため本書の提出は不要です。

※Students to be enrolled into the Graduate School of Science and Engineering as a research student does not need to submit this sheet.

I confirmed the followings to apply for the Faculty of Fundamental Science and Engineering/ Science, Engineering and Society/ Advanced Science and Engineering, Graduate school of Science and Engineering:

私は基幹理工／社会理工／先進理工学部または理工学研究科を志望するにあたり、以下の事項を確認しました。

1. 希望学科・専攻は、各学科・専攻の開講科目、シラバスを確認したうえで選択しました。
The desired department or major was selected after checking the course offerings and syllabus of each department.
2. 履修希望科目(List of Courses you plan to register at Chuo)は、原則として出願希望学科・専攻から選択しました。
また、履修登録時には、原籍大学での学修状況や獲得したい能力を踏まえ、科目選択を行うことを確認しました。
Basically, I have selected the courses for "List of Courses you plan to register at Chuo" from the courses offered at the department which I apply for. I also confirm that when registering for courses, students should select courses based on their study status at their home universities and the abilities they wish to acquire.

3. 履修の可否については留学開始後に確定し、授業形態や学力レベルにより、希望する科目が履修できない可能性もあることを理解しました。また、原籍大学を卒業するために必要な科目を履修できないケースも含め、原籍大学にて事前調整をすることを確認しました。

I understand that course availability will be determined after my study abroad program begins and that there is a possibility that I may not be able to take the courses I wish to take depending on the class format and my level of academic achievement. I also confirmed that I will make prior arrangements with my home university in case I am unable to take courses (or earn credits) required for graduation from my home university.
