Business の分野は履修可/Business courses are available for enrollment.

中央大学からの交換留学生が履修できないプログラム・科目はありますか？Are there any programs/courses that are NOT open to exchange students from Chuo University?

Once an exchange student is officially admitted to Purdue, the student's file is forwarded to an academic advisor, who assists the exchange student with course registration. If there is a conflict with the student's requested courses or class schedule, the student will be notified by email. Students admitted to Purdue as undergraduates may take courses numbered from 10000 to 49999. Courses numbered 50000 to 59999 require special permission from the department; those numbered 60000 and above are open only to exchange students who have been admitted as graduate students.
It's very important to read the information about course selection and registration BEFORE you complete that section of the exchange student application. This is important because the course listings for the current semester may not be posted to the Purdue website until after the deadline. Please refer to the listings for the previous fall or spring semester.

要件に関する注意事項 Notes on Requirements

- Guided Full-Time Academic: 12–13 academic units, including one fixed communication-related course.
- ESL Preparation Program: A full load of ESL coursework.

出願に関する注意事項 Notes on Application

※注意

-大学院生が応募する際には早めに国際センターに相談すること。

-UC Davis はクォーター制（Fall Quarter 9-12 月、Winter Quarter 1-3 月、Spring Quarter 3-6 月）です。半年留学の場合は、Fall Quarter + Winter Quarter に在籍し、1 年間留学の場合は、Fall Quarter + Winter Quarter+ Spring Quarter に在籍します。最初の Quarter が ESL Preparation Program[A full load of ESL coursework]の場合、学期中のテストで合格点を満たさなければ次の Quarter で Guided Full-Time Academic[12-13 Academic units + ESL1 科目]に進めません。交換留学は専門科目を履修することが目的であるため、半年留学の場合は、Fall と Winter Quarter 両方とも、ESL Preparation Program に在籍すること（半年間語学コースのみ履修）は本学として認められません。その点を留意した上で応募してください。

※Notes:

-Graduate students who wish to apply should consult the International Center as early as possible.

-UC Davis operates on a quarter system (Fall Quarter: Sep–Dec, Winter Quarter: Jan–Mar, Spring Quarter: Mar–Jun). In the case of a half-year study abroad, students will be enrolled in the Fall Quarter + Winter Quarter. In the case of a one-year study abroad, students will be enrolled in the Fall Quarter + Winter Quarter + Spring Quarter. If the first quarter is the ESL Preparation Program [A full load of ESL coursework], students cannot progress to the Guided Full-Time Academic track [12-13 Academic units + 1 ESL course] in the next quarter unless they achieve a passing score on the tests during the term. Since the purpose of the exchange program is to take specialized courses, in the case of a half-year study abroad, Chuo University does not permit students to be enrolled in the ESL Preparation Program for both the Fall and Winter Quarters (taking only language courses for half a year). Please take these points into consideration before applying.

中央大学の交換留学生は専攻外の科目（大学院を含む）を履修できますか？Can exchange students from Chuo University take courses outside their major, including graduate courses?

可/Yes - Most courses are open to exchange students but they will need to meet the prerequisites or other requirements. Some specialized cohort structured courses (e.g. Architecture studios that occur in a sequence in a specific year) may not be available to exchange students.

中央大学からの交換留学生が履修できないプログラム･科目はありますか？Are there any programs/courses that are NOT open to exchange students from Chuo University?

有/Yes -
1.Undergrad students requesting business courses must show that they've met these prereqs before they will be approved for higher level business courses: Calculus, statistics, macroeconomics, microeconomics, financial accounting, managerial accounting, Excel for business
2.While no academic programs are explicitly off-limits to exchange students, and they technically can take graduate level classes (as an undergrad), it may be extremely difficult for a student to receive the permissions necessary to do so. Certain cohort-based scholar programs (e.g. Honors College Program) cannot accommodate exchange students, given that they are multi-year, sequential programs with limited intake opportunities. Our Belk College of Business is very strict about the need for students to have met course prerequisites in order for them to take courses in that college.
